Letter to winners: Confirmation and Next Steps

Dear belkasanek,

Congratulations on placing **#2** in the [Digital Green Crop Yield Estimate Challenge](#)!

Thank you for your excellent contributions to the platform and to the growing community on Zindi.

You have won the **2nd prize: EUR 3,300** for the best-scoring model on the private leaderboard. We will transfer your total prize of **EUR 3,300** to your bank account as soon as we receive the necessary information and supporting documents. Payment will be made at the client's discretion or within 15 - 20 business days.

We ask that **only** the person receiving the funds and who participated in this challenge, fill out the forms, do an online liveness check and send the documents.

Payment requirements

- Please complete your bank details [here](#)
- Please upload your KYC documents and do an online liveness check [here](#). **(Please do not repeat the verification if you have already done it, as this will result in duplicate entries)**

These anti-money laundering controls are required by the banking authorities before we can pay you.

In addition, we need you to email us the following documents:

- **Formal letter or statement from your bank bearing all the beneficiary banking details**(We ask for this as there have been instances where payments have been returned due to incorrect banking information.)
- **Proof of address** (copy of utility bill, copy of a lease, or copy of other official mail addressed to you)

Should you be unable to use the link, please scan and email your documents to zindi@zindi.africa. Please note that verifying your documents manually may result in delays in getting your payment to you. We also reserve the right to insist on an online liveness check if a particular payment is deemed to be high-risk.

Currency

Winners will be paid in USD or the currency of the competition. If your account cannot receive US Dollars or the currency of the competition, then your bank will need to provide proof of this and Zindi will try to resolve the problem.

Please note that, in accordance with the [Zindi Terms of Use](#), with the submission of your code you hereby agree to assign all worldwide rights of copyright in and to such winning solution to Zindi (and/or the Host User, as nominated by us) with effect from the date of the submission of your code.
